PRESS RELEASE

FOR IMMEDIATE RELEASE

BlueLevel Technologies Is Easily Followed On Twitter!

Peru, IL, United States - December 14, 2009 - "Follow Us", one of the most pop phrases today has been adopted by BlueLevel Technologies! Specifically, people interested in level measurement and monitoring technology, products and applications can now follow BlueLevel Technologies on Twitter. Twitter name is BlueLevelTech and the URL is www.twitter.com/BlueLevelTech

"Our approach to using Twitter is that of an outreach of our servicing programs", states Joe Lewis, Managing Director of BlueLevel Technologies. "We are not using twitter, or any other social media community, for self-promotional advertising. Far from it, rather, it is an important new way of allowing people to follow and discuss what's new and happening in level measurement, should anyone choose to". Lewis further states, "Twitter and social media in general is an outlet for our industry experts to share their knowledge and service potential users of level measurement and monitoring instrumentation".

BlueLevel Technologies brings 35 years of process measurement and control experience and knowledge to its *Just Level* service strategy. *Just Level* is designed to anticipate, meet and exceed the needs of BlueLevel Technologies customers and their industries bringing decades of process measurement and control expertise directly to the user.

Visit the BlueLevel Technologies innovative website at www.blueleveltechnologies.com and become an elite associate member of the BlueLevel Technologies team to begin your experience of *Just Level*. For more information contact Joe Lewis, Managing Director, at 888-262-2662, 815-224-2224 or by email joe@blueleveltechnologies.com
